Students of 'LIBBE' Device Training

Photos will be randomly taken during class.

Photos will be shared with other class attendees, Manufacturer of the Device & posted to our own Website.

Thank you for registering your interest to train with us at Vibrant Health Spa.

Please review the class details above, for the syllabus we will cover.

Please bear in mind class time is limited with lots to cover, it is likely the syllabus may answer your questions.

If you have questions during class or over night, please write them down, and ask each morning during Q & A time, or during Breaks.

Time is given each morning to ask additional questions, which may not be covered during syllabus; i.e., Personal Questions / Previous Experience Scenarios / Trouble Shooting with Device / Difficult or Embarrassing Questions Clients may ask you, etc.

We look forward to sharing our knowledge of the LIBBE Device, and meeting you for our interactive class.
